

We are proud to offer...

Advanced Cosmetic Dentistry

A new cosmetic smile can last your entire life and will make you feel more confident, healthier, and younger.

These services include:

- All porcelain crowns and bridges
- Porcelain Veneers
- Cosmetic Bonding
- **BriteSmile®** - in office one hour tooth whitening
- **Clear Correct®** - nearly invisible, wireless braces

Laser Dentistry

We have two types of lasers -

- **Diagnodent** - Laser Cavity Detection Aid to locate even the smallest areas of decay as early as possible
- **CO2 Laser** - to treat gum disease and perform soft tissue recontouring

Diagnostics

- Digital Radiology (x-rays)
- **Diagnodent** (for early cavity-detection)
- Intra-Oral Camera
- Digital Photography

Preventive

- Periodic re-exams and cleanings
- Sealants
- Topical Fluoride treatments

Restorative

- Resin and porcelain fillings
- Single crowns (caps)
- Fixed and removable bridges and dentures to replace missing teeth

Dental Implant Restorations

- Implant Placement
- Crowns, bridges, and dentures made to complete dental implant tooth replacement

Periodontal Dentistry

- Surgical and non-surgical treatment of diseases of the gums and supportive bone

Oral Surgery

- Extraction of teeth
- Placement of mini-implants for denture stabilization

Orthodontics (Braces)

- Nearly invisible, wireless braces for teens and adults

Endodontic Dentistry (Root Canal)

- Treatment of the nerve inside the tooth that has died due to extensive decay or trauma

Snoring and Obstructive Sleep Apnea

- Oral-orthotic appliances for the management of physician-diagnosed sleep disorders.

Dr. Phil Baldo

Dr. Baldo graduated from University of Medicine and Dentistry in 1997. He completed a residency in general dentistry at Hackensack University Medical Center, and in 1999 Dr. Baldo established Roseberry Family Dental.

He prides himself in quality dentistry with a caring touch. He likes to treat patients as he would like to be treated and cares for each of his patients compassionately. The recently renovated office with state-of-the-art equipment and new technology allows him to provide patients with the best dentistry has to offer.

Dr. Baldo is a member of the American Dental Association, the New Jersey Dental Association, as well as the Tri-County Dental Society.

Our Mission

The doctor and staff of Roseberry Family Dental provide quality state-of-the-art dentistry for people of all ages. We pride ourselves on our patient-centered practice and do everything possible to make dental visits pleasant for our patients. Our practice is recognized as a leader in the dental technology industry. We utilize digital radiology (90% less radiation), computerized imaging, intraoral cameras and the highest quality materials, ensuring that you will get the best possible results.

There is on-site parking located behind the building and access to the lobby from the parking lot. Our Suite is on the second floor. Our office is wheelchair accessible.

Our Hours:

Mondays 10:00 - 8:00pm
Tuesdays 8:00 - 5:00pm
Wednesdays by appointment
Thursdays 9:00 - 7:00pm
Fridays by appointment
Saturdays 8:30 - 1:30pm

In case of emergency outside of our regular office hours, please call the office phone for information on reaching the doctor on call.

We participate with Delta Dental's Premier Plan.

We will gladly submit your dental insurance claims on your behalf. We ask that your estimated co-payment be paid at the treatment appointment.

We accept:
